Report on

Webinar on “National Educational Policy (NEP) -2020”

A one day Seminar on National Educational Policy (NEP)-2020 was organized by the IQAC at Vignan's Institute of Pharmaceutical Technology, Visakhapatnam on 20.12.2019.

The National Education Policy (NEP) 2020 was released by on July 30.2020. The ministry of Human Resource Development (MHRD) had constituted a committee for drafting the National Educational Policy in June 2017. The committee submitted a draft NEP for public consultation in May 2019. The NEP will replace the National Policy on Education, 1986. The NEP recommends that the existing structure of school education must be restricted to make it more relevant to the needs of students at different stages of their development. The current 10+2 structure of school education will be redesigned into a 5-3-3-4 design comprising: (i) Five years of foundational stage (for ages 3 to 8), (ii) three years of preparatory stages (for ages 8 to 11 or classes three to five), (iii) three years of middle stages (for ages 11 to 14 or classes six to eight), and (iv) four years of secondary stage (for ages 14 to 18 or classes 9 to 12).

Program team:

Resource team: Prof. S.V.Sudheer, Pro-Vice-Chancellor, University of Kerala.

Patron: Dr.Y.Srinvasa Rao, Principal

Convener: Mr. P.N.Mallikarjun, IQAC Coordinator

Resource person overview:

Education is fundamental for achieving full human potential, developing an equitable and just society, and promoting national development. Providing universal access to quality education is the key to India's continued ascent, and leadership on the global stage in terms of economic growth, social justice and equality, scientific advancement, national integration, and cultural preservation. Universal high-quality education is the best way forward for developing and maximizing our country's rich talents and resources for the good of the individual, the society, the country, and the world. India will have the highest population of young people in the world over the next decade, and our ability to provide high-quality educational opportunities to them will determine the future of our country.

About the program:

Online teaching platform and tools: Appropriate existing e-learning platforms such as SWAYAM, DISKHA, will be extended to provide teachers with a structural, user friendly rich set of assistive tools for monitoring progress of learners. Tools, such as, two ways video and two way audio interfaces for holding online classes are a real necessity as the present pandemic has shown.

Virtual Labs: Existing e-learning platforms such as DIKSHA, SWAYAM and SWAYAMPRAKHA will also be leveraged for creating virtual labs so that all students have equal access to quality practical and hands on experiment based learning experiences. The possibility of providing adequate access to SEDG students and teachers through suitable digital devices such as tablets with pre loaded content will be considered and developed.

Training and incentives for teachers: Teachers will undergo rigorous training in learning centric pedagogy and on how to become high quality online content creator themselves using online teaching platform and tools. There will be emphasis on the teachers' role in facilitating active student engagement with the content and with each other.

Online assessment and examination: Appropriate bodies, such as the proposed National Assessment Centre of PARAKH, School Boards, NTA and other identified bodies will design and implement assessment frameworks encompassing design of competencies, portfolio, rubrics, standardized assessment, and assessment analytics. Studies will be undertaken to pilot new ways of assessment using education technologies focusing on 21st Century skills.

The global education development agenda reflected in the Goal 4 (SDG4) of the 2030 Agenda for sustainable Development, adopted by India in 2015 – seeks to “ensure inclusive and equitable quality education and promote lifelong learning opportunities for all “ by 2030. Such a lofty goal will require the entire education system to be reconfigured to support and foster learning, so that all of the critical targets and goals (SDGs) of the 2030 Agenda for sustainable Development can be achieved.

Schedule of activities:

Day and date: 17-18th August, 2020

Venue: Online Mode

Objectives of program:

- To increase the public investment in education.
- To set up NEC (National Education Commission)
- Increase focus on vocational and adult education.

- Strengthening the use of technology, etc.

List of Participants

S.No	Name of the faculty	Designation
1	P V Kamala Kumari	Professor
2	Medapati Saritha	Professor
3	Rajkiran Kolakota	Professor
4	Ponnam Chiranjeevi	Professor
5	P Bala Krishnaiah	Professor
6	Kurre Purna Naga Sree	Associate Professor
7	Vasudha Dadi	Associate Professor
8	Cheepurupalli Prasad	Associate Professor
9	Satyalakshmi Siragam	Associate Professor
10	Santosh Kumar Ranajit	Associate Professor
11	Mamidi Trinadha Rao	Associate Professor
12	Gana Manjusha Kondepudi	Associate Professor
13	Kunda Daniel Raju	Associate Professor
14	Galanki Vasantha	Associate Professor
15	Kollabathula Vara Prasada Rao	Associate Professor
16	Bora Ramarao	Associate Professor
17	Naga Mallikarjun Paida	Associate Professor
18	Kanakaraju Adipalli	Associate Professor
19	Rambha Deepthi	Assistant Professor
20	Mugada Vinod Kumar	Assistant Professor
21	Jhansi Lakshmi Varanasi	Assistant Professor
22	Ammu Swathi Annapurna	Assistant Professor
23	Mousami Maganti	Assistant Professor
24	Bheemarasetty Satya Kiran	Assistant Professor
25	Koppala R V S Chaitanya	Assistant Professor
26	Gandi Anusha	Assistant Professor
27	Jonnada Prasanna	Assistant Professor
28	Pappu Srinu	Assistant Professor
29	Tamarapalli Surya Satya Lakshmi	Assistant Professor
30	Sheik Jakir Hussain Mustaq	Assistant Professor
31	Setti Uma Maheswari	Assistant Professor
32	Wasim Feroz	Assistant Professor
33	Kannuru Sai Saroja Prathyusha	Assistant Professor
34	Naveti Madhuri	Assistant Professor
35	Vadapalli Bhavana	Assistant Professor
36	Konda Jeevitha	Assistant Professor
37	Pratha Radhika	Assistant Professor
38	Gorle Urmila	Assistant Professor
39	Asma Fathima	Assistant Professor
40	Dasari Charan	Assistant Professor
41	Pentakota Prathyusha	Assistant Professor
