Visakhapatnam

Respected sir,

Sub: Approval to conduct Awareness programme on "NAAC Proceedings" organized by IQAC at VIPT-req-reg.

As per the suggestions made by Honorable Chairman Dr. L. Rathaiah sir in the GBM, that it is more advantageous to conduct awareness program for all faculty members of our institution to enhance their skills towards NAAC Proceedings. Regarding this we communicated with in order to conduct this Awareness program, our institute has to take care of the following expenditure as per the norms specified by them. Hence kindly extend your support and accord approval for the expenditure to conduct this Awareness Program during 20-09-2021 to 25-09-2021.

Thanking you sir

Yours faithfully

Faculty Details

Name: Prof. Appa Rao Podile

Mail: podileraogmail.com

Contact: 040-2313-4503

Area of Research: Molecular Plant-Microbe Interactions

1. Senior Professor, Department of Plant Sciences - Feb 2019 onwards
2. Adjunct Chair Professor in Biotechnology, Asia University, Taichung, Taiwan, 2019 onwards
3. Vice Chancellor, University of Hyderabad (Sep 2015 – Jun 2021)
4. Professor, Department of Plant Sciences (Nov 2004 – Feb 2019)
5. Visiting Professor, Institute of Molecular Biology, Academia Sinica, Taipei, Taiwan (3 months in 2000)
6. Reader, Department of Plant Sciences (Jan 1999 – Oct 2004)
7. Post-Doctoral Fellow, Institute of Botany, Academia Sinica, Taipei, Taiwan (Jan 1998 – Dec 1998)
8. Lecturer, School of Life Sciences/Department of Plant Sciences (Feb 1989 – Dec 1998)

Honors and Conferred Distinction:

1. Nominated Member, CDFD Society, Centre for DNA Fingerprinting and Diagnostics, Hyderabad, 2021–2024
2. Member, Research Advisory Council, Institute of Life Sciences, Bhubaneswar, 2021 onwards
3. Member, Executive Council, National Academy of Agricultural Sciences, New Delhi, 2021 onwards
4. EC Member, Consortium of Academic and Research Ethics (CARE) Committee, University Grants Commission, New Delhi, 2019
5. *Adjunct Chair Professor, Department of Biotechnology, Asia University, Taichung, Taiwan, 2019 onwards*
6. Participant, Fulbright-US India Education Foundation sponsored “Fulbright Academic Administrators Seminar”, November 2019

Report on

A one week program on Awareness Programme on “NAAC Proceedings”

A one week Awareness programme was organized by the IQAC at Vignan's Institute of Pharmaceutical Technology, Visakhapatnam on 20.09-2021 to 25.09.2021

The title of the programme is NAAC Proceedings. The aim and scope of this program is to train and provide knowledge on NAAC. The purpose of the accreditation by NAAC is to promote and recognize excellence in technical education in colleges and universities – at both the undergraduate and post graduate levels.

Program team:

Resource team: Prof. Podili Appa Rao,

School of Life Sciences, Central University of Hyderabad

Patron: Dr.Y.Srinvasa Rao, Principal

Convener: Mr. P.N.Mallikarjun, IQAC coordinator

Number of participants: 33 members

Resource person overview:

Prof. Podili Appa Rao, School of Life Sciences, Central University of Hyderabad said NAAC is one such autonomous accrediting body in India, which deals with the accreditation of engineering and various technical Institutions based on the quality of education being offered. The guidelines outlined by the NAAC act as parameters to certify Institutions. Any Higher Education Institutions (HEI) willing to apply and successfully get accredited from the NAAC

needs to ensure that all guidelines are followed strictly and every document or information that needs to be submitted is free from any errors and 100% authentic.

About the program:

National Assessment and Accreditation Council (NAAC) has brought in new spirit into its process of Assessment and Accreditation (A&A). This has been attempted as a continuance of the NAAC concern for ensuring that its processes are in tune with local, regional and global changes in higher education scenario. The current process of A&A is being adopted from July 2017. The main focus of the revision process has been to enhance the redeeming features of the accreditation process and make them more robust, objective, transparent and scalable as well as make it ICT enabled. The Revised Accreditation Framework is completely online. This current benchmarked methodology has qualitative metrics which is assessed by the Peer Team and quantitative metrics validated by third party. To bring in distinctiveness manuals, NAAC has appropriately diversified its A&A process so as to adequately capture the unique features of the discipline in Higher Education. Apart from General Manuals for Universities, Autonomous College, and Affiliated Colleges, separate Manuals and QIFs have been developed for Teachers Education, Sanskrit Universities, Medical and Health Sciences, Open and Distance Education and Dual mode Universities. To make the HEIs familiarize with the current methodology, NAAC has been organizing awareness programmes. In tune with this a awareness programme for Teacher Education Institutions was Organized.

Technical Session –I

The resource person Prof. Podili Appa Rao presented on 'Relevance of Assessment and Accreditation.' In course of his dynamic presentation, he flagged certain important points which the Institutions should focus upon. Those points may be summarized as follows:

- NAAC framework for assessment and accreditation is unique to any other country and the assessment is based on Global Good Practices and Norms.
- Quality Assurance is a must and therefore quality assessment is to be accepted as a pleasant and productive challenge.
- NAAC is instituted to help Institutions to help and achieve quality assurance and face the challenge.

PRINCIPAL
VIGNAN INSTITUTE OF
PHARMACEUTICAL TECHNOLOGY
Beside: VSEZ, Duwada, Visakhapatnam-46

- Students, the main stakeholders should not lose maximum benefit simply because the authorities of the college do not dare to face the challenge of NAAC assessment. It is an opportunity denied to the students to venture to different Universities and Institutions for further studies within and outside the country.
- Relevance and need for SWOT and documentation.
- IQAC should be empowered to take necessary action and bring a change for the better
- Since best practice can significantly contribute to the development of the institution, identifying Best Practice is the need of institution.

Technical Session II:

The resource person Prof. Podili Appa Rao presented on 'An Overview of Revised Accreditation Framework' with well sequential and structured Power Point Presentation and highlighted changes that have been introduced in revised assessment and accreditation framework. Some of the important points were highlighted as follow:

- Important of strict adherence to timeline
- Need to read relevant documents
- Frequent visit of NAAC website, dashboard, standard operating procedure
- Need to give importance in preparing SSR, once it is submitted it cannot be edited.
- Provision of optional metrics
- Timeline for DVV Queries.
- A student's satisfaction survey has been introduced in the revised framework, details and awareness of the students should also be addressed.

Panel discussion & Interaction session

At the discussion and interaction sessions participants from various colleges raised their question and sought clarifications on issues relating to logistic fee, peer team visit, IIQA submission and others. Since most of the procedures and proceedings are based on ICT enabled, therefore, NAAC may consider upon the practical problem faced by the Institutions so that solution may also be worked out.
