15th April, 2019

To
The Principal
Vignan Institute of Pharmaceutical Technology (VIPT)
Visakhapatnam

Respected sir,

Sub: Approval to conduct "Awareness Programme on NIRF for HEI'S" organized by IQAC at VIPT-req-reg.

As per the suggestions made by Honorable Chairman Dr. L. Rathaiiah sir in the GBM, that it is more advantageous to conduct awareness program for all faculty members of our institution to enhance their skills.

In order to conduct this Awareness program, our institute has to take care of the following expenditure as per the norms specified by them. Hence kindly extend your support and accord approval for the expenditure to conduct this Awareness Program during 22-04-2019 to 27-04-2019

Thanking you sir

Yours faithfully

P.N. Mallikarjun

Resource Person Details

1. **Name** : Dr. JyothiYarlagadda
2. **Education** – degree, discipline, institution, year : Ph.D., Mechanical Engineering, Vignan's Foundation for Science, Technology & Research, 2021.
3. **Academic experience** – institution, rank, title (chair, coordinator, etc. if appropriate), when (ex. 2002-2007), full time or part time – 10 Years (2012 TO 2022)

Present position **AssociateProfessor ,Associate Dean IQAC**
DepartmentofMechanicalEngineering,
Vignan's Foundation for Science, Technology and
Research(Deemed to be University),Vadlamudi
May2018 till date.
AssistantProfessor - June2015toJuly2021

Previous position **AssistantProfessor,Placementofficer**
Department of Mechanical Engineering, Gokul Group of Institutions,
Bobbili,June2012toDec2015

4. **Current membership in professional organizations**
Society of Automotive Engineers (SAE).

5. **Honors and awards**

- Achieved exemplary service award as Associate Dean, IQAC in 2022.
- Resource person for DST sponsored National level training program(7days) on "Vibration based product quality and condition monitoring systems in Advanced Manufacturing" from 18th April to 25th April 2022.
- Reviewer for the Journal of Building Engineering from 2020
- Elite silver in course on "Manufacturing of Composites" by IIT Kanpur in Oct-2019 under NPTEL.

6. **Service activities (within and outside of the institution)**

ServedasProtocolmemberforSouthZoneVice-chancellormeet-2016

Served as Protocol member for Dr.JithendraTripathi,UGC Joint secretary,
UGCExpertReVisit 2017

Report on

A One Week Awareness Program on NIRF for HEI's

A one week awareness program was organized by the IQAC at Vignan's Institute of Pharmaceutical Technology, Visakhapatnam on 22-04-2019 to 27-04-2019.

The title of the programme is "*Challenges in NIRF for Affiliated Institution*". The aim and scope of this program is to provide for ranking of Institutions in five broad generic groups of parameters, namely: i) Teaching, Learning and Resources; ii) Research and Professional Practice; iii) Graduation outcome; iv) Outreach and Inclusivity; and v) perception, to train and provide knowledge on NIRF. By and large, India ranking continues to give a lot of emphasis to collection, verification and use of reliable data, unlike global ranking that gives disproportionate weightage to perception and internationalization (in terms of international students and international faculty), NIRF relies on ranking based on data, which is more objective, especially in a large higher education system like India, where perception data alone can be misleading and amenable to manipulation. Although, the task of collection, verification, and authentication of data from a large number of Institutions is challenging.

Program team:

Resource team: Dr. Y. Jyothhi, Associate Dean,

IQAC and Assistant Professor in Mechanical Engineering

Patron: Dr.Y.Srinvasa Rao, Principal

Convener: Mr. P.N.Mallikarjun, IQAC Coordinator

Number of participants: 26 Members

Resource person overview:

Dr. Y. Jyothhi, Associate Dean, IQAC and Assistant Professor in Mechanical Engineering. The focus of governments for the past few years has been to achieve three important goals- "Access, equality and excellence". Although substantial progress has been made over the years a lot more

for
PRINCIPAL
VIGNAN INSTITUTE OF
PHARMACEUTICAL TECHNOLOGY
Beside: VSEZ, Duvvada, Visakhapatnam-46

needs to be done to achieve all the three goals, particularly on the excellence front. The Ministry of HRD and regulatory bodies have initiated a series and have also introduced several schemes to bring quality to the top agenda of India Higher Education.

About the program:

Indian higher education is in need of radical reforms. A focus on enforcing higher standards of transparency, strengthening of the vocational and doctoral educational pipeline and professionalization of the sector through stronger institutional responsibility would help in reprioritizing efforts towards excellence. To achieve this aim MHRD has taken an initiative to establish a ranking agency for quality assessment.

The national institutional ranking framework (NIRF) was launched on 29th September 2015 by MHRD to rank Higher Educational Institutions in the country based on objective, verifiable criteria to promote competitive excellence in the higher educational institutions. For the use of the participating institutions (institutes accredited/affiliated to the AICTE/UGC) a web based platform has been set up, in which the institutions are invited to register themselves.

Ranking promotes competition among the universities and drive them to strive for excellence. The rankings assume significance as performance of Institutions has been linked with "Institutions of Eminence" scheme. Only Higher Education Institutions currently placed in top 500 of Global Rankings or top 50 of the National Institutional Ranking Framework (NIRF) are eligible to apply for the eminence tag. Institutions with the eminence tag would be allowed greater autonomy without having to report to the university grants commission (UGC). They would be able to admit foreign students and recruit faculty from abroad and follow as flexible course and fee structure to enable them to vault to ranks of the top Global Institution. The private Institutions of eminence can also come up as "Greenfield ventures" – provided the sponsoring organization submits a convincing perspective plan for 15 years.

Schedule of activities:

Day and date: 22nd – 27th June, 2019

Venue: VIPT Seminar Hall

Objectives of program:

- To bring awareness about the parameters with relative weights.
- To bring awareness on innovative and best teaching learning practices for enhancing knowledge and employable skill of the students.
- To bring awareness about the quality research publications and patents.
- Deliberations on inclusivity and diversity in ranking process.
- Discussing different outreach programs with national priority for better ranking
